School Year: 2013 – 2014

Dear Parents of English Learner (EL) Students:

Beginning with the 2013 – 2014 school year, the EL programs at Riverview and Robinson Elementary Schools will be consolidated with the EL program at Black's Mill Elementary School. Students who presently receive EL language support services at either Riverview or Robinson Elementary will be provided transportation to attend Black's Mill Elementary. The student will be a full-time student at Black's Mill Elementary and will receive all academic content and language support instruction there. Siblings of the EL student will have the opportunity to attend Black's Mill Elementary if they are elementary school students. If you have any questions about how this change will affect your family, please feel free to contact one of your EL school representatives listed below.

Black's Mill Elementary School (706) 216 – 3300	Riverview Elementary School (706) 216 – 5812	Robinson Elementary School (706) 265 – 6544
